

BENTLEY & MORE LLP

Southern California trial attorneys Greg Bentley and Keith More have extensive experience handling complex litigation in a wide range of practice areas, including product liability, workers' compensation, government entity liability, insurance bad faith, and catastrophic personal injury. With the resources and experience to handle even the most complicated claims, the firm "specializes in difficult 'crossover' cases that touch multiple practice areas, including assisting injured workers get the care they need as well as

litigating against the third party that caused the harm," say the attorneys.

Formed in 2016, Bentley & More has quickly earned a reputation for getting exceptional outcomes for their clients. No stranger to accolades, Greg Bentley and Keith More lead a team of attorneys that have been repeatedly recognized by Super Lawyers, Best Lawyers, and other attorney organizations for their exceptional work and dedication to clients. The firm's namesakes were recently recognized as Super Lawyers Top 50 in OC and Top 100 in Southern California, with Bentley being named the Best Lawyers of America 2023 Lawyer of the Year for Personal Injury & More being

named the 2022 Lawyer of the Year for Workers' Compensation Law – Claimants in Orange County.

Known as passionate advocates, Bentley & More are described by clients as "aggressive and confident, yet deeply compassionate." A secret to their success? "We work closely with our clients to deeply understand their lives and needs – we tell their story," says Bentley.

"We truly are helping people at their worst moments and creating a better life for them," adds More.
